The loss in trading Forex and CFDs can be substantial. You should therefore carefully consider whether such trading is suitable for you in light of your personal financial circumstances and financial resources. The high degree of leverage that is obtainable in Forex trading and CFDs trading on account of minimal margin requirements can work against you as well as for you. Trader Account Letter

This Agreement is a legal contract between Sterling Gent Trading Ltd, its successors and assigns, and the party executing this document.

The party, client or customer, whether an individual or joint account holder, is at all times referred to as "Trader".

In connection with opening an account to speculate and/or purchase and/or sell Contract For Difference's ("CFD's"), futures, indices, foreign exchange, and/or shares through the Over The Counter ("OTC") market with Sterling Gent Trading Ltd, the Trader acknowledges that Trader has been advised and understands the following factors concerning trading in leveraged OTC markets, in addition to those contained in the following Risk Disclosure Statement.

1. OTC is not traded on a regulated exchange. There are no guarantees as to the credit worthiness of the counter party of your trades. Every attempt will be made to deal at all times with reputable credit worthy banks and clearing houses. There may be certain cases in which trading liquidity decreases causing trading in certain Currencies or Commodities to significantly reduce or even cease, thereby preventing the liquidation of an adverse position which may result in a substantial financial loss.
2. Trading in OTC securities is suitable only for those investors financially able to withstand the full loss of margins or deposits within their account.

Each Trader must warrant, by confirming and signing below, that they have the knowledge, expertise and experience in financial matters to evaluate the risks of opening an Account, are aware of the risks inherent in investing in the assets offered by Sterling Gent Trading Ltd, aware of the risks involving the method by which these assets will be traded, and can bear the loss of the entire investment in their Account.

3. Any market recommendations of Sterling Gent Trading Ltd are based solely on the judgment of Sterling Gent Trading Ltd's personnel. These market recommendations, if any, may or may not be consistent with the market position or intentions of Sterling Gent Trading Ltd, its affiliates and employees, or other Traders trading on the Sterling Gent Trading Ltd platform. Any market recommendations of Sterling Gent Trading Ltd are based upon information believed to be reliable, but Sterling Gent Trading Ltd cannot and does not guarantee the accuracy or completeness thereof or represent that following

- such recommendations will eliminate the risk inherent in trading currencies, commodities, CFD's or any OTC securities. Any market recommendations of, or information provided by, Sterling Gent Trading Ltd does not constitute an offer to buy or sell, or the solicitation of an offer to buy or sell, any OTC transaction.
4. Trader understands that Sterling Gent Trading Ltd does not permit its Account Executives to either exercise discretion or manage an OTC account, or hold a power of attorney over an OTC account, unless approved in writing by the Board of Directors of Sterling Gent Trading Ltd and only after proper documentation has been submitted and approved by Sterling Gent Trading Ltd. If Trader's account is not being traded with Trader's authorisation, Trader must notify Sterling Gent Trading Ltd in writing immediately.
 5. Sterling Gent Trading Ltd's margin trading policies require that funds be provided to properly margin Trader's account. Insufficient margin cover may result in the liquidation of any open positions with a resultant loss borne by the Trader. Sterling Gent Trading Ltd reserves the right to adjust margin policies and to make and implement margin calls in Trader's account at Sterling Gent Trading Ltd's absolute discretion.
 6. Sterling Gent Trading Ltd reserves the right to refuse to accept any order.
 7. Trader understands that Trader must carefully review the reports relating to Trader's account provided to Trader by Sterling Gent Trading Ltd. Pursuant to the Trader Agreement, all reports of execution will be deemed final within twenty-four (24) hours and all statements of account will be deemed final within twenty-four (24) hours, unless the Trader makes a written objection to these reports within this twenty-four (24) hour period of time to Sterling Gent Trading Ltd, at its principal place of business.
 8. The Trader has read and understands the Trader's obligations and rights under the following Trader Agreement and agrees and acknowledges that the following Trader Agreement will control the Trader's relationship with Sterling Gent Trading Ltd. The Trader agrees that Trader is fully responsible for making all final decisions as to transactions effected for Trader's account. Trader has considered the foregoing factors and in view of Trader's present and anticipated financial resources, Trader is willing and able to assume the substantial financial risks of OTC trading.

The undersigned acknowledges having received, read and understood the foregoing Trader Account Letter and agrees to be bound by all of the terms and conditions hereof.

Trader Agreement

In consideration of Sterling Gent Trading Ltd agreeing to carry one or more accounts of the undersigned ("Trader") and providing services to Trader in connection with the purchase and sale of Contracts For Difference, futures, indices, foreign exchange, and/or shares through the OTC market, which may be purchased or sold by or through Sterling Gent Trading Ltd for Trader's account(s), Trader agrees as follows:

1. Authorization in Trade

Sterling Gent Trading Ltd is authorised to purchase and sell OTC securities for Trader's account(s) in accordance with Trader's oral or written or electronic instructions.

2. Governmental, Counter Party Institution and Interbanking System Rules

All transactions under this Agreement shall be subject to the constitution, by-laws, rules, regulations, customs, usage, rulings and interpretations of the counter party institution or other interbank market (and its clearing organization, if any) where executed and to all applicable laws and regulations. If any statute shall hereafter be enacted or any rule or regulation shall hereafter be adopted by any governmental authority, or a contract market or clearing organization which shall be binding upon Sterling Gent Trading Ltd and shall affect in any manner or be inconsistent with any of the provisions hereof, the affected provisions of this Agreement shall be deemed modified or superseded, as the case may be by the applicable provisions of such statute, rule or regulation, and all other provisions of this Agreement and provisions so modified shall in all respects continue in full force and effect. Trader acknowledges that all transactions under this Agreement are subject to the aforementioned regulatory requirements and Trader shall not thereby be given any independent legal or contractual rights with respect to such requirements.

3. Margins and Deposit Requirements

Trader shall provide to and maintain with Sterling Gent Trading Ltd margin in such amounts and in such forms as Sterling Gent Trading Ltd, in its sole discretion, may require. Such margin requirements may be greater or less than margins required by a counter party bank. Sterling Gent Trading Ltd may change margin requirements at any time. Trader agrees to deposit by immediate wire transfer such additional margin when and as required by Sterling Gent Trading Ltd and will promptly meet all margin calls in such mode of transmission as Sterling Gent Trading Ltd in its sole discretion designates. Sterling Gent Trading Ltd may at any time proceed to liquidate Trader's account in accordance with paragraph 6 below and any failure by Sterling Gent Trading Ltd to enforce its rights hereunder shall not be deemed a waiver by Sterling Gent Trading Ltd to enforce its rights thereafter. Sterling Gent Trading Ltd retains the right to limit the amount and/or total number of open positions which Trader may acquire or maintain at Sterling Gent Trading Ltd. Sterling Gent Trading Ltd will attempt to execute all orders which it may, in its sole discretion, choose to accept in accordance with the oral or written or electronic

instructions of Trader's. Sterling Gent Trading Ltd reserves the right to refuse to accept any order. However, Sterling Gent Trading Ltd shall not be responsible for any loss or damage caused, directly or indirectly, by any events, including, but not limited to, exercising its right to refuse to accept an order, actions or omissions beyond the control of Sterling Gent Trading Ltd including, without limitation, loss or damage resulting, directly or indirectly, from any delays or inaccuracies in the transmission of orders and/or information due to a breakdown in or failure of any transmission or communication facilities.

4. Rollovers and Financing

Trader understands and agrees that foreign currency positions that are held past 5.00PM EST will incur either a debit or credit to the Trader's account based upon the interest rate differential between the two applicable currencies. Trader understands and agrees that Sterling Gent Trading Ltd will automatically calculate and post such interest rate differential to traders account. Trader further understands that all CFD Share positions held overnight incur a financing cost. CFD Financing is calculated on 100% of the value of the equivalent position on a daily basis at market price. Long CFD positions may have to pay interest to Sterling Gent Trading Ltd whereas short CFD positions may receive interest from Sterling Gent Trading Ltd and Trader understands and agrees that Sterling Gent Trading Ltd will automatically calculate and post such interest to traders account. Financing on Commodity and Treasury CFDs is factored into the securities futures price and therefore no overnight rates apply.

5. Collateral and Lending Agreement

All funds, securities, currencies, and other property of Trader which Sterling Gent Trading Ltd or its affiliates may at any time be carrying for Trader (either individually, jointly with others, or as a guarantor of the account of any other person,) or which may at any time be in its possession or control or carried on its books for any purpose, including safekeeping, are to be held by Sterling Gent Trading Ltd as security and subject to a general lien and right of set-off for any and all liabilities of Trader to Sterling Gent Trading Ltd whether or not Sterling Gent Trading Ltd has made advances in connection with such securities, commodities, currencies or other property, and irrespective of the number of accounts Trader may have with Sterling Gent Trading Ltd. Sterling Gent Trading Ltd may, in its sole discretion, at any time and from time to time, without notice to Trader, apply and/or transfer any or all funds or other property of Trader between any of Trader's accounts. Trader hereby also grants to Sterling Gent Trading Ltd the right to pledge, re-pledge, hypothecate, invest or loan, either separately or with the property of other Traders, to itself as broker or to others, any securities or other property of Trader held by Sterling Gent Trading Ltd as margin or security. Sterling Gent Trading Ltd shall at no time be required to deliver to Trader the identical property delivered to or purchased by Sterling Gent Trading Ltd for any account of Trader. This authorization shall apply to all accounts carried by Sterling Gent Trading Ltd for Trader and shall remain in full force until all accounts are fully paid for by Trader or notice of revocation is sent by Sterling Gent Trading Ltd to Trader.

6. Liquidation of Assets

In the event of:

- a) the death or judicial declaration of incompetence of Trader;
- b) the filing of a petition in bankruptcy, or a petition for the appointment of a receiver, or the institution of any insolvency or similar proceeding by or against Trader;
- c) the filing of an attachment against any of Trader's accounts carried by Sterling Gent Trading Ltd;
- d) insufficient margin, or Sterling Gent Trading Ltd's determination that any collateral deposited to protect one or more accounts of Trader is inadequate, regardless of current market quotations, to secure the account;
- e) Trader's failure to provide Sterling Gent Trading Ltd any information requested pursuant to this agreement; or
- f) any other circumstances or developments that Sterling Gent Trading Ltd deems appropriate for its protection, and in Sterling Gent Trading Ltd's sole discretion, it may take one or more, or any portion of, the following actions:
 - i. Satisfy any obligation Trader may have to Sterling Gent Trading Ltd, either directly or by way of guaranty of suretyship, out of any of Trader's funds or property in its custody or control;
 - ii. Sell any or purchase any or all Currency contracts, securities held or carried for Trader; and
 - iii. Cancel any or all outstanding orders or contracts, or any other commitments made on behalf of Trader.

Any of the above actions may be taken without demand for margin or additional margin, without prior notice of sale or purchase or other notice to Trader, Trader's personal representatives, heirs, executors, administrators, trustees, legatees or assigns and regardless of whether the ownership interest shall be solely Trader's or held jointly with others. In liquidation of Trader's long or short positions, Sterling Gent Trading Ltd may, in its sole discretion, offset in the same settlement or it may initiate new long or short positions in order to establish a spread or straddle which in Sterling Gent Trading Ltd's sole judgment may be advisable to protect or reduce existing positions in Trader's account. Any sales or purchases hereunder may be made according to Sterling Gent Trading Ltd's judgment and at its discretion with any interbank or other exchange market where such business is then usually transacted or at a public auction or private sale, and Sterling Gent Trading Ltd may purchase the whole or any part thereof free from any right of redemption.

7. Statement and Confirmation

Reports of the confirmation of orders and statements of accounts for Trader shall be deemed correct and shall be conclusive and binding upon Trader if not objected to immediately upon receipt by telephone or email and confirmed in writing by email or facsimile, within twenty-four (24) hours after transmittal to Trader. Margin calls shall be conclusive and binding. Failure to object to order confirmations and statements within the twenty-four (24) hour period following receipt shall be deemed ratification of all actions taken by Sterling Gent Trading Ltd or Sterling Gent Trading Ltd's agents prior to Trader's receipt of said reports. Trader's failure to receive a trade confirmation shall not relieve Trader of the obligation to object as set out herein.

8. Communications

Reports, statements, notices and any other communications may be transmitted electronically or to such address as Trader may from time to time designate in writing to Sterling Gent Trading Ltd. All communications so sent, whether by mail or otherwise, shall be deemed transmitted by Sterling Gent Trading Ltd when deposited in the mail, or when received by a transmitting agent, and deemed delivered to Trader personally, whether actually received by Trader or not.

9. Sterling Gent Trading Ltd Responsibilities

Sterling Gent Trading Ltd will not be responsible for delays in the transmission of orders due to a breakdown or failure of transmission or communication facilities, electrical power outage or for any other cause whether beyond Sterling Gent Trading Ltd's control or anticipation or not. Sterling Gent Trading Ltd shall only be liable for its actions directly attributable to negligence, willful default or fraud on the part of Sterling Gent Trading Ltd. Sterling Gent Trading Ltd shall not be liable for losses arising from the default of any agent or any other party used by Sterling Gent Trading Ltd under this agreement. As OTC is not an exchange traded market, prices at which Sterling Gent Trading Ltd deals at or quotes may or maynot be similar to prices at which other OTC market makers deal at or quote.

10. Currency Fluctuation Risk

If Trader directs Sterling Gent Trading Ltd to enter into any currency foreign exchange transaction: (a) any profit or loss arising as a result of a fluctuation in the exchange rate affecting such currency will be entirely for Trader's account and risk; (b) all initial and subsequent deposits for margin purposes shall be made in U.S. dollars, in such amounts as Sterling Gent Trading Ltd may in its sole discretion require; and (c) Sterling Gent Trading Ltd is authorised to convert funds in Trader's account for margin into and from such foreign currency at a rate of exchange determined by Sterling Gent Trading Ltd in its sole discretion on the basis of the then prevailing money market rates.

11. Risk Acknowledgement

- a) Trader acknowledges that investments in leveraged and non-leveraged transactions are speculative, involves a high degree of risk, and is appropriate only for persons who can assume the risk of loss of their entire margin deposit. Trader understands that because of the low margin normally required in OTC trading, even small price changes in OTC securities may result in significant losses. Trader warrants that Trader is willing and able, financially and otherwise, to assume the risk of OTC trading, and in consideration of Sterling Gent Trading Ltd's carrying Trader's account(s), Trader agrees not to hold Sterling Gent Trading Ltd responsible for losses incurred through following its trading recommendations or suggestions or those of its employees, agents or representatives. Trader recognizes that guarantees of profit or freedom from loss are impossible of performance in OTC trading.

- b) Trader acknowledges that Trader has received no such guarantees from Sterling Gent Trading Ltd or from any of its representatives or any introducing agent or other entity with whom Trader is conducting the Sterling Gent Trading Ltd account(s) and has not entered into this agreement in consideration of or in reliance upon any such guarantees or similar representations.
- c) The Trader acknowledges that any funds held on the Traders' behalf may be pooled with those funds of other traders at various licensed and regulated counterparties and Liquidity Providers. This means that the Trader's entitlement may not be individually identifiable on the relevant Counterparty or Liquidity Provider's register, and in the event that a counterparty or Liquidity Provider defaults, or runs into financial difficulties for reasons unrelated to SGT, the Trader may share proportionately in that shortfall.
- d) The Trader agrees that the Company may cease to treat as Trader Money any balance held by the Company on the Trader's behalf where the Company has determined that there has been no movement on the balance for a period of six years (notwithstanding any payments or receipts of charges, interest or similar items) and the Company is unable to trace the Trader after taking reasonable steps to contact it.

12. Trading Recommendations

- a) Trader acknowledges that any market recommendations and information communicated to Trader by Sterling Gent Trading Ltd or by any person within the company, does not constitute an offer to sell or the solicitation of an offer to buy any OTC contract, such recommendation and information, although based upon information obtained from sources believed by Sterling Gent Trading Ltd to be reliable, may be based solely on a broker's opinion and that such information may be incomplete and may be unverified, and Sterling Gent Trading Ltd makes no representation, warranty or guarantee as to, and shall not be responsible for, the accuracy or completeness of any information or trading recommendation furnished to Trader. Trader acknowledges that Sterling Gent Trading Ltd and/or its officers, directors, affiliates, associates, stockholders, representatives or other Sterling Gent Trading Ltd Traders may have a position in or may intend to buy or sell currencies, which are the subject of market recommendations furnished to Trader, and that the market position of Sterling Gent Trading Ltd or any such officer, director, affiliate, associate, stockholder, representative or other Sterling Gent Trading Ltd Traders may not be consistent with the recommendations furnished to Trader by Sterling Gent Trading Ltd. Trader acknowledges that Sterling Gent Trading Ltd makes no representations concerning the tax implications or treatment of contracts; and,
- b) Trader further acknowledges that should Trader grant trading authority or control over Trader's account to a third party ("Trading Agent"), whether on a discretionary or non-discretionary basis, Sterling Gent Trading Ltd shall in no way be responsible for reviewing Trader's choice of such Trading Agent nor making any recommendations with respect thereto. Trader understands that Sterling Gent Trading Ltd makes no warranties nor representation concerning the Trading Agent, that Sterling Gent Trading Ltd shall not be responsible for any loss to Trader occasioned by the actions of the Trading Agent and that Sterling Gent Trading Ltd does not, by implication or otherwise, endorse or approve of the operating methods of the Trading Agent. If Trader gives Trading Agent authority to exercise any of its rights over Trader's account(s), Trader understands that Trader does so at Trader's own risk.

13. Trader Representation and Warranties

Trader represents and warrants that:

- a) Trader is of sound mind, legal age and legal competence; and,
- b) No person other than Trader has or will have an interest in Trader's account(s); and,
- c) Trader hereby warrants that regardless of any subsequent determination to the contrary, Trader is suitable to trade OTC securities and is a sophisticated investor; and,
- d) Trader is not now an employee of any exchange, any corporation in which any exchange owns a majority of the capital stock, any member of any exchange and/or firm registered on any exchange, or any bank, trust, or insurance company, and in the event that Trader becomes so employed, Trader will promptly notify Sterling Gent Trading Ltd in writing of such employment; and,
- e) All the information provided in the Trader Account Opening Information, as well as all of the confirmations and documentation provided by Trader and attested hereto, including the Trader Account Letter, this Trader Agreement, the "Know Your Trader" documentation, the Transaction Disclosure, and the Risk Disclosure Statement and Acknowledgement is true, correct and complete as of the date hereof and Trader will notify Sterling Gent Trading Ltd promptly of any changes in such information.

The Trader represents and warrants that the Trader has very carefully considered the portion of the Trader's assets which the Trader considers to be placed at a risk of loss ("Risk Capital"). The Trader recognizes that such Risk Capital is the amount of money the Trader is willing to put at risk and if lost would not, in any way, change the Trader's economic position. The Trader agrees to immediately inform Sterling Gent Trading Ltd if the Trader's financial condition changes in such a way so as to reduce the Trader's Net Worth, Liquid Assets and/or Risk Capital.

15. No Guarantees

Trader acknowledges that Trader has no separate agreement with Trader's broker or any Sterling Gent Trading Ltd employee or agent regarding the trading in Trader's Sterling Gent Trading Ltd account, including any agreement to guarantee profits or limit losses in Trader's account. Trader understands that Trader must authorize every transaction prior to its execution unless Trader has delegated discretion to another party by signing a full power of attorney over Trader's account(s), and any disputed transactions must be brought to the attention of Sterling Gent Trading Ltd pursuant to the notice requirements of this Trader Agreement. 17. No Waiver or Amendment

No provision of this Agreement may be waived or amended unless the waiver or amendment is in writing and signed by both Trader and authorised by the Board of Directors of Sterling Gent Trading Ltd. This instrument and the attachments hereto embody the entire agreement of the parties, superseding any and all prior written and oral agreements and there are no other terms, conditions or obligations other than those contained herein.

Risk Disclosure

This brief statement is not a full and exhaustive list of all of the risks and other significant aspects of trading in leveraged investments. In light of the risks, you should undertake such transactions only if you understand the nature of the transactions (and contractual relationships) into which you are entering and the extent of your exposure to risk. You should carefully consider whether trading is appropriate for you in light of your experience, objectives, financial resources and other circumstances.

1. Effect of 'Leverage' or 'Gearing'

Transactions in OTC accounts carry a high degree of risk. The amount of initial margin for contracts for differences, commodities, foreign exchange, futures or indices is small relative to the value of the OTC contract so that transactions are highly 'leveraged' or highly 'geared'. A relatively small market movement will have a proportionately larger impact on the funds you have deposited or will have to deposit; this may work against you as well as for you. You may sustain a total loss of initial margin funds and any additional funds deposited with the firm to maintain your position. If the market moves against your position or margin levels are increased, you may be called upon to pay substantial additional funds on short notice to maintain your position. If you fail to comply with a request for additional funds within the time prescribed, or to maintain sufficient usable margin in your account, your position may be liquidated at a loss without notice and at the sole discretion of Sterling Gent Trading Ltd.

2. Risk-reducing orders or strategies

The placing of certain orders (e.g. 'stop-loss' order, where permitted under local law, or 'stop-limit' orders) which are intended to limit losses to certain amounts may not be effective because market conditions may make it impossible to execute such orders. Strategies using combinations of positions, such as 'spread' and 'straddle' positions may be as risky as taking simple 'long' or 'short' positions.

3. Terms and conditions of contracts

You should understand the terms and conditions of the specific contracts for differences, commodities, foreign exchange, futures or indices which you are trading and any associated obligations.

4. Suspension or restriction of trading and pricing relationships

Market conditions, including, but not limited to, illiquidity, and/or the operation of the rules of certain markets (e.g. suspension of trading in any security due to price limits, government intervention or "circuit breakers") may increase the risk of loss by making it difficult or impossible to effect transactions or liquidate/offset positions.

5. Deposited cash and property

You should familiarize yourself with the protections accorded money or other property you deposit for domestic and foreign transactions, particularly in the event of a firm insolvency or bankruptcy. The extent to which you may recover your money or property may be governed by specific legislation or local rules. In some jurisdictions, property which had been specifically identifiable as your own will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall.

6. Commission and other charges

Before you begin to trade, you should obtain a clear explanation of all commission, fees, markups, markdowns, rollovers, interest rate differential and other charges for which you will be liable. These charges will affect your net profit (if any) or increase your loss.

7. Transactions in other jurisdictions

Transactions in currencies in other jurisdictions, including markets formally linked to a domestic market, may expose you to additional risk. Such markets may be subject to regulation which may offer different or diminished investor protection. Before you trade you should inquire about any rules relevant to your particular transactions. Your local regulatory authority will be unable to compel the enforcement of the rules of regulatory authorities or markets in other jurisdictions where your transactions have been effected. You should understand about the types of redress available in both your home jurisdiction and other relevant jurisdictions before you start to trade.

8. Currency risks

The profit and loss in transactions in foreign currency-denominated contracts or securities (whether they are traded in your own or another jurisdiction) will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to another currency.

9. Trading facilities

OTC business is not traded on a regulated market and therefore does not require open-outcry. Even though quotations or prices are afforded by many computer-based component systems, the quotations and prices may vary due to market liquidity. Many electronic trading facilities are supported by computer-based component systems for the order-routing, execution or matching of trades. As with all facilities and systems, they are vulnerable to disruption or failure. Your ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the bank and/or financial institution and such limits may vary.

10. Electronic trading

Trading on an electronic trading system may differ not only from trading in the interbank or other regulated markets but also from trading on other electronic trading systems. If you undertake transactions on an electronic trading system, you will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that your order is either not executed according to your instructions or is not executed at all.

Disclaimers:

a) Internet failures:

Since Sterling Gent Trading Ltd does not control signal power, its reception or routing via Internet, configuration of your equipment or reliability of its connection, we cannot be responsible for communication failures, distortions or delays when you trade on-line (via Internet).

b) Market risks and on-line trading:

Trading contracts for differences, currencies, commodities, futures and indices involves substantial risks that may not be suitable for everyone. Trading on-line, no matter how convenient or efficient, does not necessarily reduce risks associated with securities trading and may increase the risks in the event of communication breakdowns.

c) Password protection:

The Trader is obligated to keep passwords secret and ensure that third parties do not obtain access to the trading facilities. The Trader will be liable to Sterling Gent Trading Ltd for trades executed by means of the Trader's password even if such use may be wrongful.

d) Quoting errors:

Should quoting errors occur due to a dealer's mistype of a quote or an erroneous price quote from a pricing source, Sterling Gent Trading Ltd will not be liable for the resulting errors in account balances. Sterling Gent Trading Ltd reserves the right to make the necessary corrections or adjustments on the account involved. Any dispute arising from such quoting errors will be resolved on the basis of a fair market value of the contract or security at the time such an error occurred.

11. Off-exchange transactions

In OTC markets, firms are not restricted to effect off-exchange transactions. The firm with which you deal may be acting as your counterparty to the transaction. It may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a separate regulatory regime. Before you undertake such transactions, you should familiarize yourself with applicable rules and attendant risks.

The undersigned acknowledges having received, read and understood the foregoing Risk Disclosure statement and confirms that they understand the risks involved in OTC trading of contracts for differences, currencies, commodities, futures and indices and have also had sufficient opportunity to investigate the risks of trading such accounts with their own independent professional financial advisors.
